

Zanzibits & the Dam to Dam Run

The 19th of September 2009 in Amsterdam
Help us help others and sponsor our runners

Amsterdam, August 12th, 2009

Dear Zanzibits Friends,

Zanzibits, the Film and Multimedia Foundation for young and unprivileged youngsters between the age of 18 to 22 on the Island of Zanzibar has, over the past two years, turned out to be a great success. This year we are educating 15 motivated students, who are learning how to make websites, presentations, animations and short films / documentaries.

Unique initiative in Tanzania

The free curriculum provides the students with an opportunity to create a better life for themselves and their environment. The Zanzibits initiative is unique for Zanzibar. It was therefore allowed to obtain an NGO status by the Tanzanian government. Last year 12 of the students succeeded in finding a job and 2 stayed on with the organization in Zanzibar, to become the trainers of the future. We want to continue this initiative, but in order to do this we are in need of new funding.

If you feel inspired by our organization please visit our website www.zanzibits.com or check out our blog at www.zanzibits.com/blog for more information. You will see what we do, and how we try to empower these African youngsters by giving them the tools they need to succeed in life.

Your help needed

To raise funds for the 2010 school year, Zanzibits' initiator and director of Operations, Guy Mullens, has decided to run the 25th edition of the Amsterdam Dam to Dam Run. This will take place on Saturday the 19th of September 2009. We are sending you this letter hoping you are willing to contribute to make this a success.

This edition of the run will include the evening run on the 19th in which Guy Mullens will be participating. A total of 30,000 participants will take part. The Dam to Dam Run is one of the biggest running events in The Netherlands this year. To make this initiative an even bigger success, a few friends of Guy have decided to join him in running the evening edition of the Dam to Dam Run for Zanzibits.
